Hello Artiom,

Thank you for reaching out.

Due to our limited resources we will be unable to engage in direct litigation with regards to this topic. However, what we can do is offer a bit of guidance, especially a law-firm that might be able to help.

To start off, can you please let me know in which member state are you based in?

Kind regards,

Dear 

Thank you for your response and for offering your guidance!

I am based in **Berlin, Germany**.

Your recommendation for a specialized law firm capable of handling this precedent-setting case would be highly appreciated. I have secured legal protection coverage (ROLAND Rechtsschutz) for the initial consultation.

Kind regards,

--
