URGENT HUMANITARIAN APPEAL RE: Forced Conscription and Disappearance of Ukrainian Citizen, a Friend of GERMAN & ISRAEL CITIZEN (Holocaust Survivor Grandson)

TO:

- The International Committee of the Red Cross
 - The UN High Commissioner for Human Rights
 - Amnesty International
 - Human Rights Watch
 - The Office of the German Chancellor
 - International Media Outlets
-

FROM: Dr. Artiom Kovnatsky

DATE: 21.09.2025

SUBJECT: Urgent Request for International Intervention - Missing Ukrainian Citizens

INTRODUCTION

My name is Dr. Artiom Kovnatsky. I am a dual citizen of Germany and Israel, and the grandson of Holocaust survivors. I write to you not as a politician, but as an individual whose family history is inextricably linked to the greatest tragedy of the 20th century.

This history has taught my family one indelible lesson: **silence in the face of state apparatus that strips individuals of their basic right to life makes us complicit.** Today, I witness this history repeating itself.

THE IMMEDIATE CRISIS

I am reporting the disappearance of three Ukrainian citizens—the Krasnikov brothers and their younger half-brother:

Missing Persons:

- **Dmitry (Dima) Krasnikov** - disappeared between July 10-17, 2024
- **Viktor (Vitya) Krasnikov** - disappeared after being briefly released by TCC
- **Vladislav Krasnikov** (younger half-brother) - disappeared between July 10-17, 2024

Timeline of Events:

1. **July 10-17, 2024:** Vladislav goes missing
2. **Following weeks:** Viktor detained by TCC (Territorial Recruitment Center)
3. **After Vladislav's disappearance:** Their mother suffers a stroke
4. **Brief release:** Viktor temporarily freed "to care for mother" - then disappears
5. **Current status:** Dmitry also missing, circumstances unknown

Critical Context:

Dmitry is a devout Christian who has expressed conscientious objection to military service. Having known him since childhood, I can attest that participation in combat violates his deeply held religious convictions. His forced conscription represents a clear violation of international law regarding conscientious objection.

LEGAL BASIS FOR THIS APPEAL

Ukraine's current conscription practices violate:

- **Universal Declaration of Human Rights** (Article 18)
- **International Covenant on Civil and Political Rights**
- **European Convention on Human Rights**
- International principles of **conscientious objection**

DEMANDS FOR IMMEDIATE ACTION

I formally request:

1. **Immediate Investigation:** International intervention to locate and ensure the safety of Dmitry, Viktor, and Vladislav Krasnikov
2. **Legal Recognition:** Acknowledgment of Ukrainian citizens' right to conscientious objection under international law
3. **Humanitarian Access:** Opening of humanitarian corridors for those refusing military service on conscientious grounds

DEADLINE FOR RESPONSE

If no clear response is received within nine (9) days of this correspondence, it will serve as further evidence that fundamental human rights principles have been subordinated to political expediency.

I urge you to use all available influence to prevent further tragedy and uphold the international legal framework that protects individual conscience and human dignity.

Respectfully submitted,

Dr. Artiom Kovnatsky
