To the “smart guys” who think disruption is a pitch deck:

Jesus and Socrates wrote **\*\*zero\*\*** peer-reviewed articles.

They didn’t optimize your sandbox. They changed the **\*\*Operating System of Humanity\*\*** — through the deepest disruption of all: **\*\*THINKING\*\***.

SVE belongs to Humanity — NOT to BlackRock, Vanguard, Bohemian, Bilderberg, Ursula, Merz-Schmerz, Palantir, Microsoft, Amazon and their pipits & talking heads.

Become loving parents to Humanity, or remember: God replaces the vine <https://t.co/vqiBbT6ymY>
