BREAKING: My childhood friend, a devout Christian conscientious objector, has just been FORCIBLY CONSCRIPTED by Ukrainian military. I am Dr. Artiom Kovnatsky, German-Israeli citizen & Holocaust survivor's grandson. This is happening NOW. THREAD 1/15

POST 2/15:

Dmitry (Dima) Krasnikov was seized by Ukrainian TCC (Territorial Recruitment Center). A devout Christian who refuses to kill - now held at undisclosed military location, communication restricted to once/week under supervision. This violates international law.

As grandson of Holocaust survivors, I learned: silence = complicity. My grandfather survived Nazi persecution. Now I watch his values betrayed by a government Germany funds with billions. Where is @bundeskanzler when her ally commits war crimes? 3/15

@GermanyDiplo @AuswaertigesAmt @Bundestag_de - Germany cannot remain silent while funding violations of the SAME human rights principles our grandfathers died defending. This is forced military service of a declared conscientious objector. ACT NOW.

@GermanyDiplo @AuswaertigesAmt @Bundestag_de Viktor Krasnikov (brother) - also forcibly conscripted, briefly released to "care for sick mother," then disappeared again. Vladislav (younger brother) - missing since July. Their mother suffered stroke after sons' disappearances. THIS IS SYSTEMATIC. 5/15

@GermanyDiplo @AuswaertigesAmt @Bundestag_de @TuckerCarlson @GlennGreenwald @mtaibbi - This is the story mainstream media WON'T tell. Real-time documentation of forced conscription while politicians claim Ukraine fights for "freedom." I have proof, documents, personal relationships. 7/15

@ICRC @hrw @amnesty @UN_HRC - WHERE ARE YOU? A declared conscientious objector is being forced into military service RIGHT NOW. Your silence enables these violations. International law means nothing without enforcement. 8/15

@GermanyDiplo @AuswaertigesAmt @Bundestag_de @TuckerCarlson @GlennGreenwald @mtaibbi @ICRC @hrw @amnesty @UN_HRC @AfD @Alice_Weidel @Beatrix_vStorch - While establishment parties fund Ukrainian violations of human rights, where is Germany's moral voice? This exposes the hypocrisy of EU Ukraine policy. German taxpayers fund war crimes. 10/15
