This is an official legal attestation and a formal record of non-compliance.

1. **Delivery Confirmation:** A formal legal request under GDPR, EU Data Act, and the Digital Services Act (DSA) was successfully delivered to GitHub servers on June 26, 2026, at 11:11 AM CEST.
2. **Refusal of Compliance:** Your automated response at 11:13 AM CEST, stating that the communication channel is closed and refusing to process the delivered legal notice, constitutes an explicit and immediate failure of GitHub's statutory obligations to provide effective, uninterrupted channels for regulatory and data privacy escalations.
3. **The Clock is Running:** Be advised that your internal ticketing administrative status ("closed") is legally irrelevant to statutory European law. The mandatory statutory countdowns for the Data Portability request, GDPR Article 15/20 enforcement, and DSA compliance **have officially commenced** as of June 26, 2026, 11:11 AM CEST.
4. **Evidentiary Preservation:** This automated rejection has been cryptographically preserved and timestamped. It will be submitted directly to the European Data Protection Board (EDPB), relevant national supervisory authorities, and the upcoming judicial proceedings in September 2026 as ironclad evidence of willful systemic non-compliance and structural evasion of EU law.

GitHub Legal Operations is advised to pull this thread manually immediately.

Regards,

Data Subject Access Request (GDPR Art. 15) and Statement of Reasons Request (DSA Art. 17) — Account
'skovnats' [skovnats@gmail.com] / Support Ticket #4253477

Artiom Kovnatsky <skovnats@gmail.com>
to privacy, GitHub, dpo

Berlin, 25 June 2026 GitHub, Inc., 88 Colin P. Kelly Jr. Street, San Francisco, CA 94107, USA — and, as EU controller / EU establishment / EU representative — GitHub B.V., Prins Bernhardplein 200, 1097JB Amsterdam, The Netherlands — and Data Protection Officer (dpo@github.com)
Dear GitHub Privacy Team and Data Protection Officer,

I am the data subject and account holder 'skovnats' (Registered email: skovnats@gmail.com; Linked PayPal billing identity: artiom.kovnatsky@gmail.com; Wirtschafts-Identifikationsnummer: DE405667512). The substantive subject-matter of this request is the temporary restriction of my account between approximately 7 April 2026 and 24 April 2026 (Support ticket #4253477).

Part A — Request under Article 15 GDPR Pursuant to Article 15(1) GDPR, I request access to my personal data and the following information:

- The purposes of the processing of my personal data, including any processing connected to abuse detection, integrity/anti-abuse systems, account restriction, and automated decision-making.
- The categories of personal data concerned, including but not limited to: account profile data, access and session logs, billing data, any moderation or trust-and-safety records, any classifier outputs or signals applied to my account, and all internal notes or escalations relating to my account (incl. ticket #4253477).
- The recipients or categories of recipients to whom my personal data have been or will be disclosed.
- Legal basis — identity of recipients. I rely on Art. 15(1)(c) GDPR as interpreted by the Court of Justice of the European Union in Case C-154/21, RW v Österreichische Post AG (judgment of 12 January 2023): the data subject is entitled, upon request, to the actual identity of the recipients of their personal data, not merely the categories of recipients. I therefore request the specific identities. An incomplete or evasive response will be treated as a failure to respond within the meaning of Art. 12(3) GDPR, and I reserve the right to lodge a complaint with the competent supervisory authority under Art. 77 GDPR.
- Where the personal data are not collected from me directly, any available information as to their source (Article 15(1)(g) GDPR).

Dear GitHub Privacy Team and Data Protection Officer,

I am the data subject and account holder 'skovnats' (Registered email: skovnats@gmail.com; Linked PayPal billing identity: artiom.kovnatsky@gmail.com; Wirtschafts-Identifikationsnummer: DE405667512). The substantive subject-matter of this request is the temporary restriction of my account between approximately 7 April 2026 and 24 April 2026 (Support ticket #4253477).

Part A — Request under Article 15 GDPR Pursuant to Article 15(1) GDPR, I request access to my personal data and the following information:

- The purposes of the processing of my personal data, including any processing connected to abuse detection, integrity/anti-abuse systems, account restriction, and automated decision-making.
- The categories of personal data concerned, including but not limited to: account profile data, access and session logs, billing data, any moderation or trust-and-safety records, any classifier outputs or signals applied to my account, and all internal notes or escalations relating to my account (incl. ticket #4253477).
